Edith Wharton (1862 - 1937). Wharton's first novel, *The Valley of Decision*, was published in 1902. *The House of Mirth* (1905) was a novel of manners that analyzed the stratified society in which she had been reared and its reaction to social change. In the next two decades she wrote such novels as *The Reef*. *The Custom of the Country*, *Summer* and *The Age of Innocence* (1920), which won a Pulitzer Prize.

NATIONAL SCIENCE DAY

Feb 28

Celebrating the Discovery of
SIR. C. V. RAMAN'S
Nobel Prize Winning
Raman Effect

National Science Day is celebrated every year on February 28. This day recalls the notable invention "Raman Effect" by India's greatest scientist C V Raman. He was awarded the Nobel Prize for this discovery. Since that day, February 28 is being commemorated as National Science Day to recall the great discovery of CV Raman. The theme for National Science Day 2021 is "Future of STI: Impacts on Education, Skills, and Work". The National Science Day 2021 aims to motivate the students to gain hands-on experience in the field of science.
