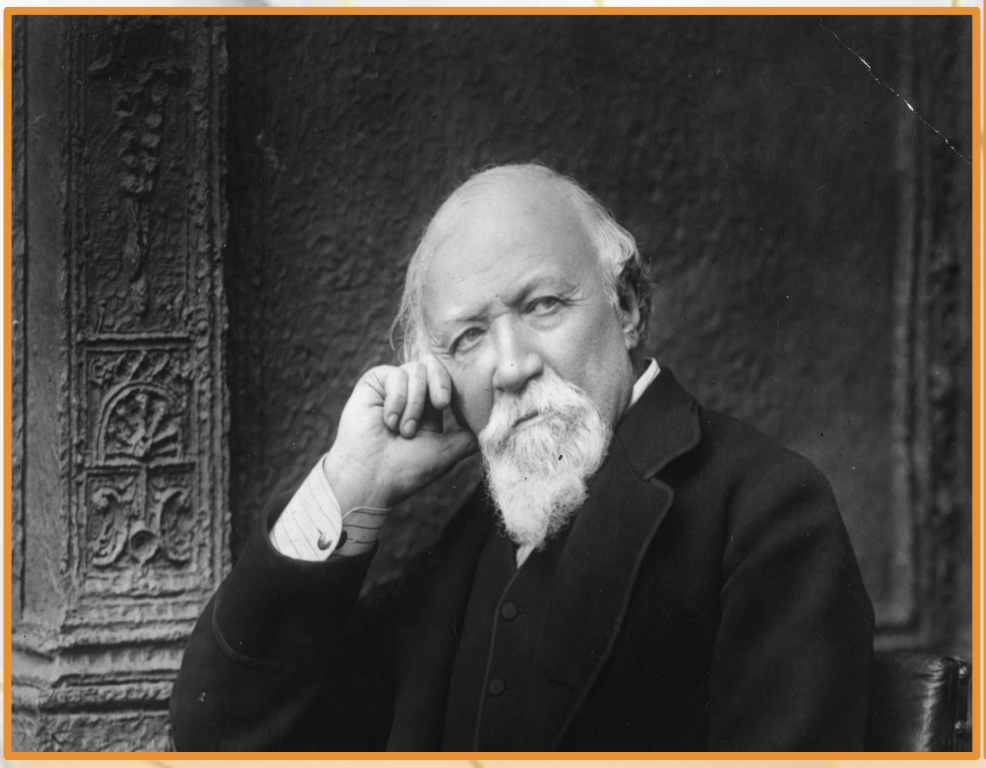
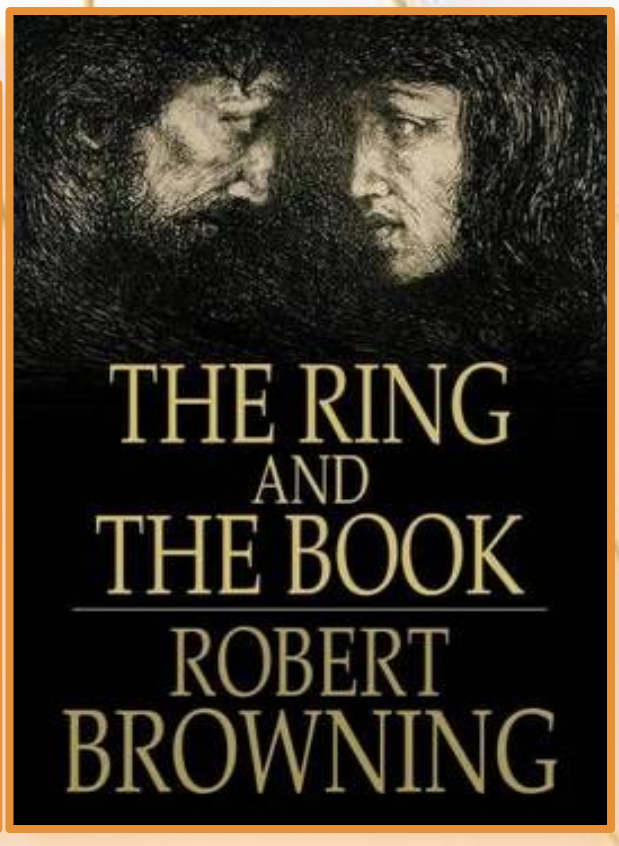
KNOW THE FACTS

ENGLISH





Robert Browning was English poet and playwright whose dramatic monologues put him among the foremost Victorian poets. His poems are noted for irony, characterization, dark humour, social commentary, historical settings and challenging vocabulary and syntax. He continued to write prolifically, but his reputation today rests mainly on his middle period. By his death in 1889, he was seen as a sage and philosopher-poet who had fed into Victorian social and political discourse. Societies for studying his work formed in his lifetime and survived in Britain and the United States into the 20th century.

MAJOR WORKS

Men and Women

In 1853, he worked with this two volume poem for he is now well known and it made a little impact.

The Ring and The Book

In 1868, he published this long blank verse based on convoluted murder-case.

It is composed of 12 books and ten lengthy dramatic monologues.

Concluded by Browning himself.

Poet's most ambitious project and arguably his greatest work.

It was successful both commercially and critically.

Robert Browning Society was formed in 1881 and his work was recognized as belonging within the British Literary Canon.

An Epic-length poem that justify the ways of GOD to humanity.

Webinar on 'Cloud platform, a boon to IT startups'

Coimbatore, May 3: Digital transformation is happening across different sectors and industries and cloud platforms are a boon for the startup companies as it is highly cost effective as all the services are used as 'on demand services' in the IT industry, revealed Vevek Pandian, Engineering Manager, SIXT Research and Development, Bengaluru.

Giving an intro about cloud platform, the resource person while addressing a virtual session on 'Cloud platform-a goon to IT startups' held under the aegis of Department of Information Technology of Sri Krishna Adithya College of Arts and Science, Coimbatore, he said that a cloud platform refers to the operating system and hardware of a server in an Internet-based data center.

It allows software and hardware products to co-exist remotely and at scale.

Elaborating on it further, he said there are three major players in the public cloud platforms arena - Amazon Web Services (AWS), Microsoft's Azure, and Google Cloud Platform. The top cloud computing companies are addressing a large and growing market and detailed about how to deploy web applications to AWS besides the benefits of using cloud for business purposes.

Any software pro can get trained in it and can develop any kind of software package easily with the help of services offered in the cloud computing platform, he said adding that this will help them to a great extent and informed about various career opportunities available for skilled software professionals.

Earlier, Dr.S.Palaniammal, Principal in her presidential address urged the students to make use of the session by getting knowledge updates on cloud platform. Dr.Sreejith Vignesh B P, HoD – IT, welcomed while S.Malathi, Professor compered the proceedings and Dr.K.Santhiya, Network Club incharge proposed a vote of thanks.

About 105 students attended the event.

A National Webinar on "Cloud Platform – A Boon for IT Start-ups and Cloud Computing – Above and Beyond" was organized on 6.04.2021. This news was published on 3-5-2021 in The Trinity Mirror newspaper.

Broaden your imagination by reading books, students told

Coimbatore, May 6: Books are definitely real friends of readers since it brings out the creative talent which quite naturally helps them achieve success in their life, opined writer and critic Dr Yaazh Ragavan.

He was speaking at a virtual event organised by The Critics' Club & The Theatre Club of the Department of English, Sri Krishna Adithya College of Arts & Science, Kovaipudur in Coimbatore during 'World Book Day'.

Taking a cue from the American novelist George R R Martin's quote, the resource person dwelt at length on the topic 'Reading Gives a Thousand Lives' wherein he pointed out that reading gives not only ample knowledge but also helps in shaping and moulding the character of a reader to scale new heights.

Referring to Tbilisi, the capital of Georgia which has been declared as the World Book Capital for 2021 by the UNESCO, he said that it wasn't easy ride for the city as it had to undergo various stages based on a year long project by the Union of Tbilisi Multifunctional Libraries related to books, literary processes, publishing activities and education to get the status.

Last year, it was Kuala Lumpur and now Tbilisi and in April 2022, this will pass on to Guadalajara, Mexico, he said adding that cities like Amsterdam, Sharjah, Athens, Antwerp, Turin, Buenos Aires, Yerevan, Bangkok, Ljubljana had earlier obtained this status. And the idea behind the concept of World Book Capital is to create book reading among the people.

Dr S Palaniammal, principal,who presided over the event called upon the students to make book reading a habit not only to enrich knowledge but also to imbibe good qualities by flipping through the pages of eminent writers and scholars. About 65 students and staff of various departments attended the virtual program. Dr.M.Swapna, Head, Dept. of English and A.John Paul Boopathi, Club coordinator organized the session.

The Critics' Club & The Theatre Club of the Department of English, SKACAS organized a virtual programme "Reading Gives a Thousand Lives" - Session 3 on 23rd April, 2021 to celebrate World Book Day. This news was published on 6-5-2021 in The Trinity Mirror newspaper.
