PRINCIPAL'S DESK

HoDs Meeting

A meeting was convened by our beloved Principal Dr.S.Palaniammal for all the Heads of the Departments to ensure the smooth conduct of Bharathiar University Examinations, Coursera registrations and consolidated internal mark submission of first year students.

PRINCIPAL'S ADDRESS - FIRST YEAR STUDENTS

B.Com, B.Com BPS & M.Com
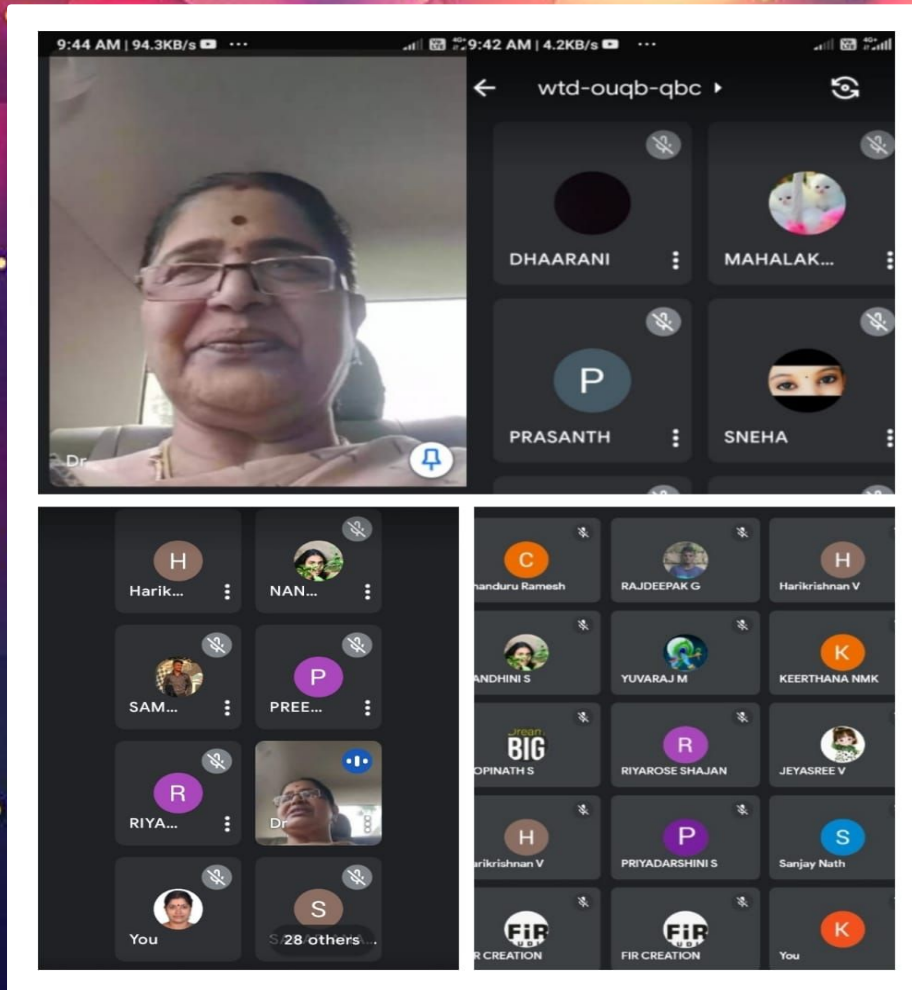

Our beloved Principal Madam conducted a meeting for the first year B.Com students on 24.06.2021 regarding Bharathiar University Examination results. She addressed to the grievances of the students on the discrepancies found in the semester exams. She motivated students to take up more courses in Coursera by educating them its international validity and academic credits. She also encouraged the students to work hard for scoring marks above 90% and focus to acquire University ranks. She provided valuable tips to improve the students competencies to grab multiple placement offers in MNCs.

B.Com, B.Com BPS & M.Com
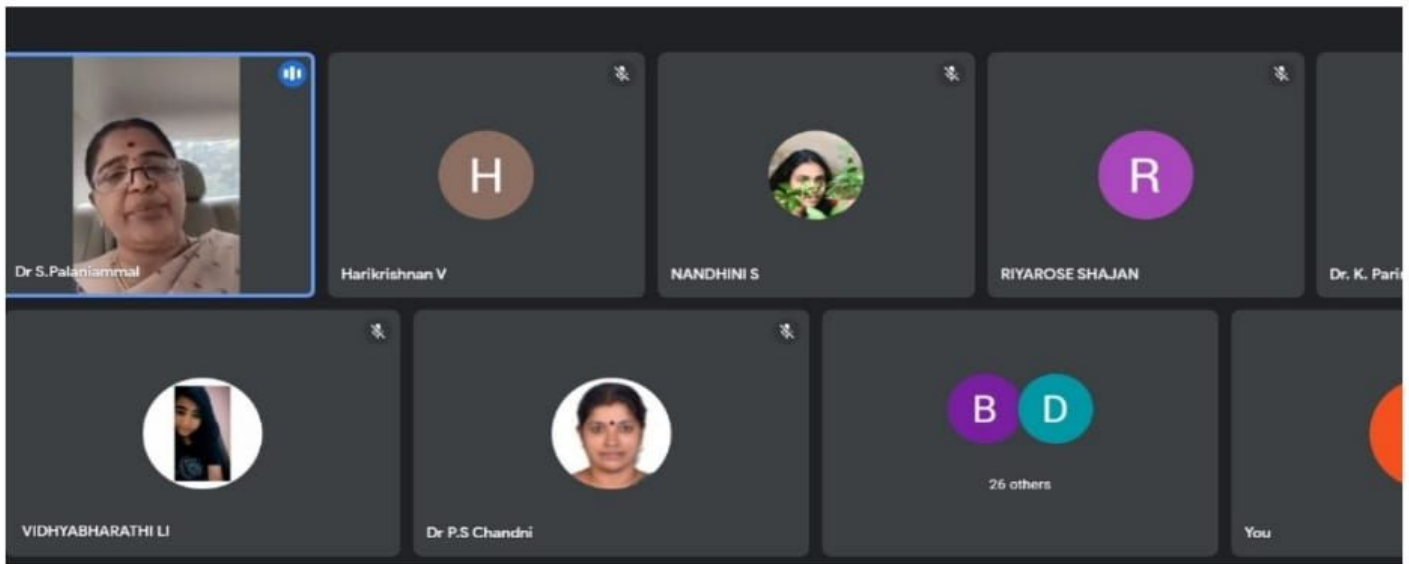

Our beloved Principal Madam conducted a meeting for the I B.Com BPS & I M.Com students on 24.06.2021. She enquired about the discrepancies in the university results published and addressed to the students' grievances. She insisted them to put sincere efforts to prepare thoroughly for forthcoming university examinations. She emphasised the BPS students on the credentials of the course and their bright opportunities in MNC's. She explained to the students about the importance of doing courses in Coursera and its academic weightage across the globe. She motivated the students for scoring high marks and advised them to aim for University Ranks.

B.Com, B.Com BPS & M.Com
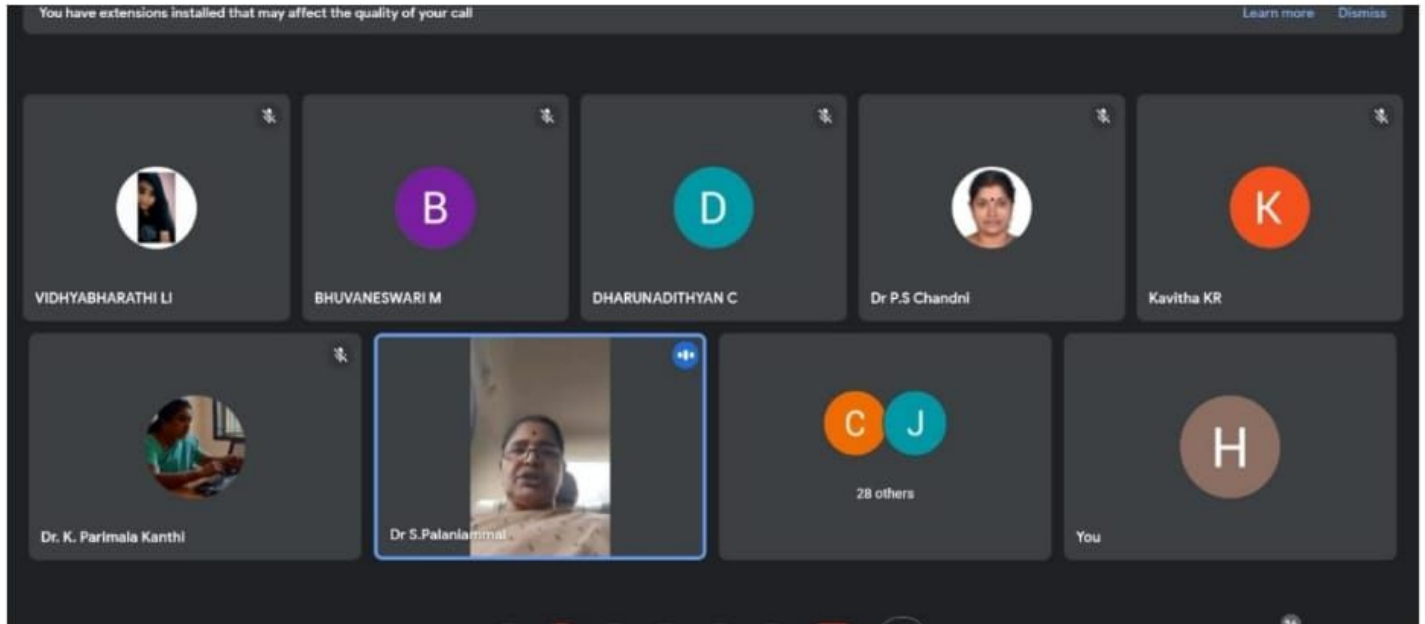

B.Sc., IT

B.Sc., IT
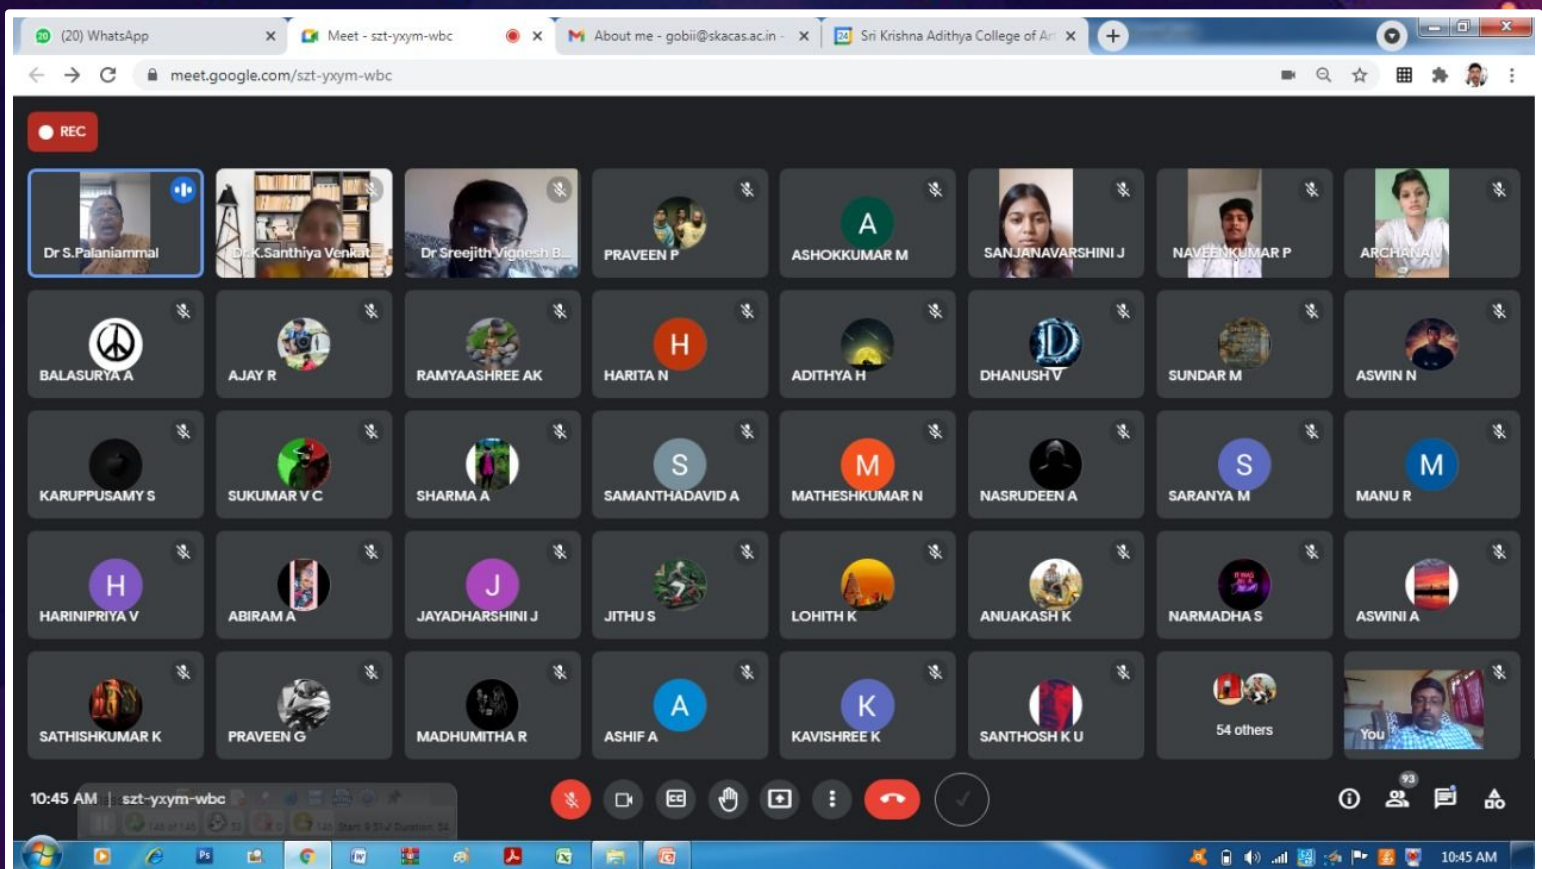

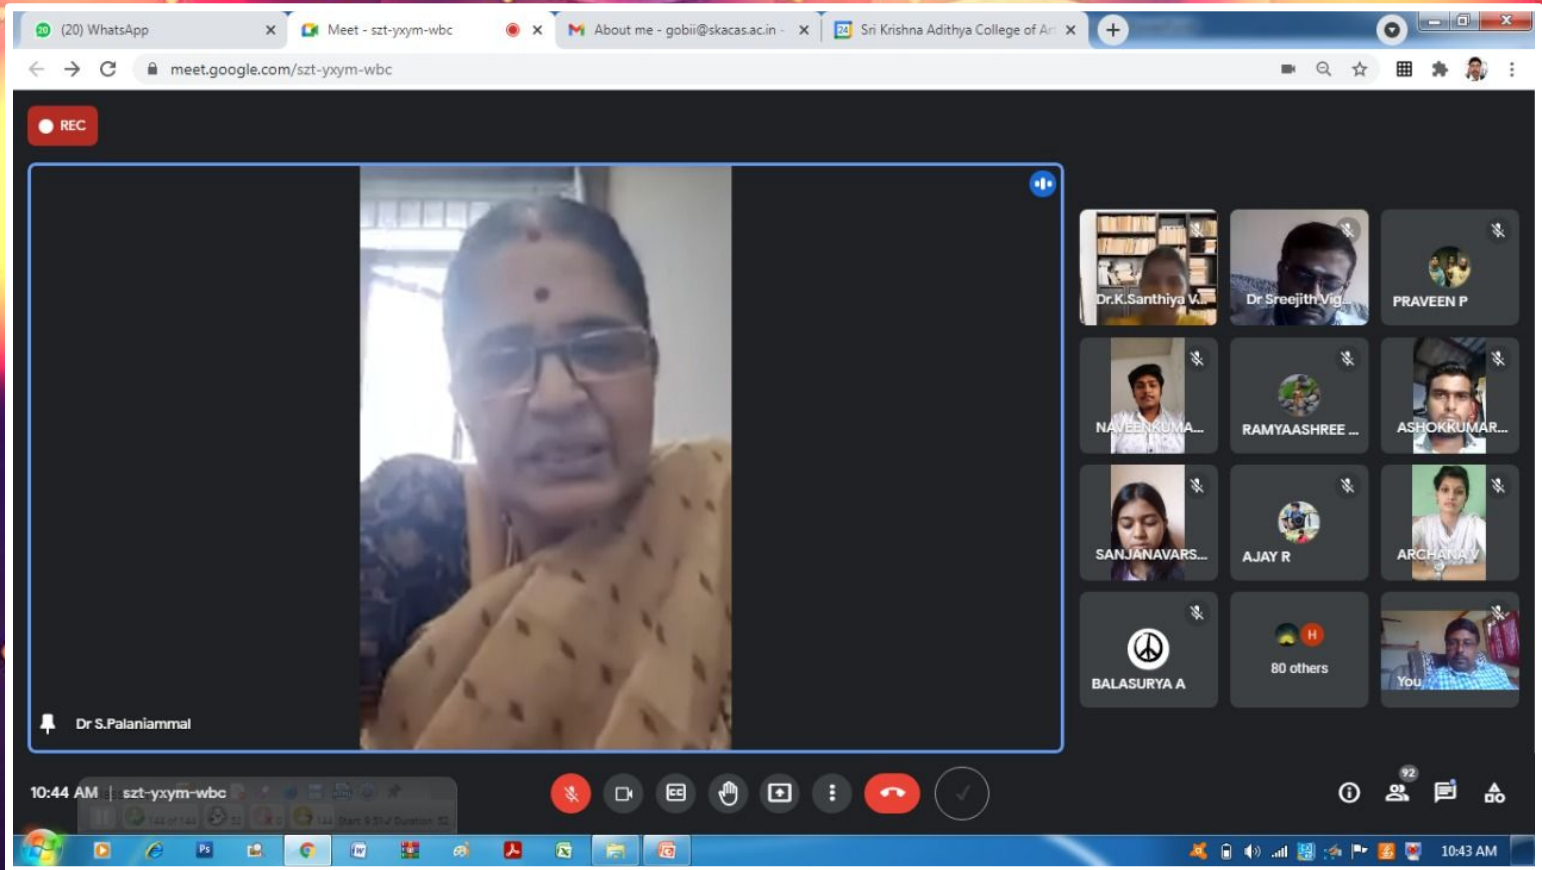

Our most Respected Principal Dr.S.Palaniammal Madam addressed the 1st year students of Department of Information Technology on 24.06.2021 @ 10:30 am. The following points were discussed by Principal mam.

📌 Feedback about each course.

📌 Appreciated top rankers in University Results.

📌 Motivated students to grab 90% and above in all subjects in forth coming exams.

📌 Motivated students to achieve more laurels and be brand ambassadors for the department and institution.

📌 Informed students to utilize the opportunities offered by institution such as taking up free certification courses through renowned Coursera platform and insisted them to complete minimum of 4 courses.

📌 Principal mam informed IT department students should score more marks and should be capable of grabbing placement offers in many number of MNCs.

📌 Students are informed to contact Faculty advisor / HoD /Principal for any kind of academic assistance.

B.Sc. CS
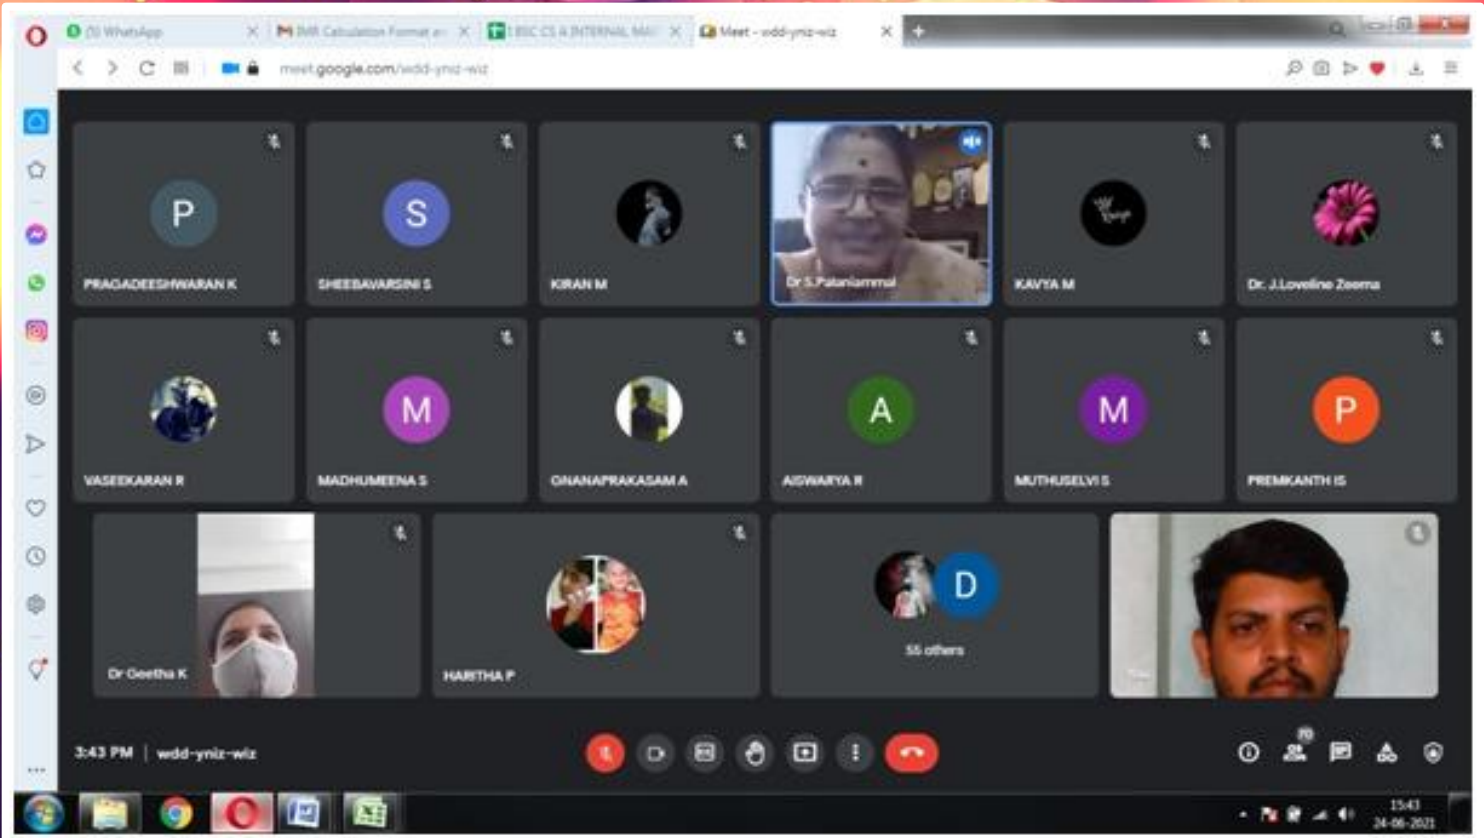

Our Respected Principal Madam Dr.S.Palaniammal addressed first year students of Department of Computer Science on 24.06.2021 at 3:30 pm. She appreciated top scores in University Exam, motivated the students to aim for University ranks through consistent effort in forthcoming university exams, emphasised on the protocols of online exam, importance of learning courses in Coursera and collected feedback about each course.

B.Com CA
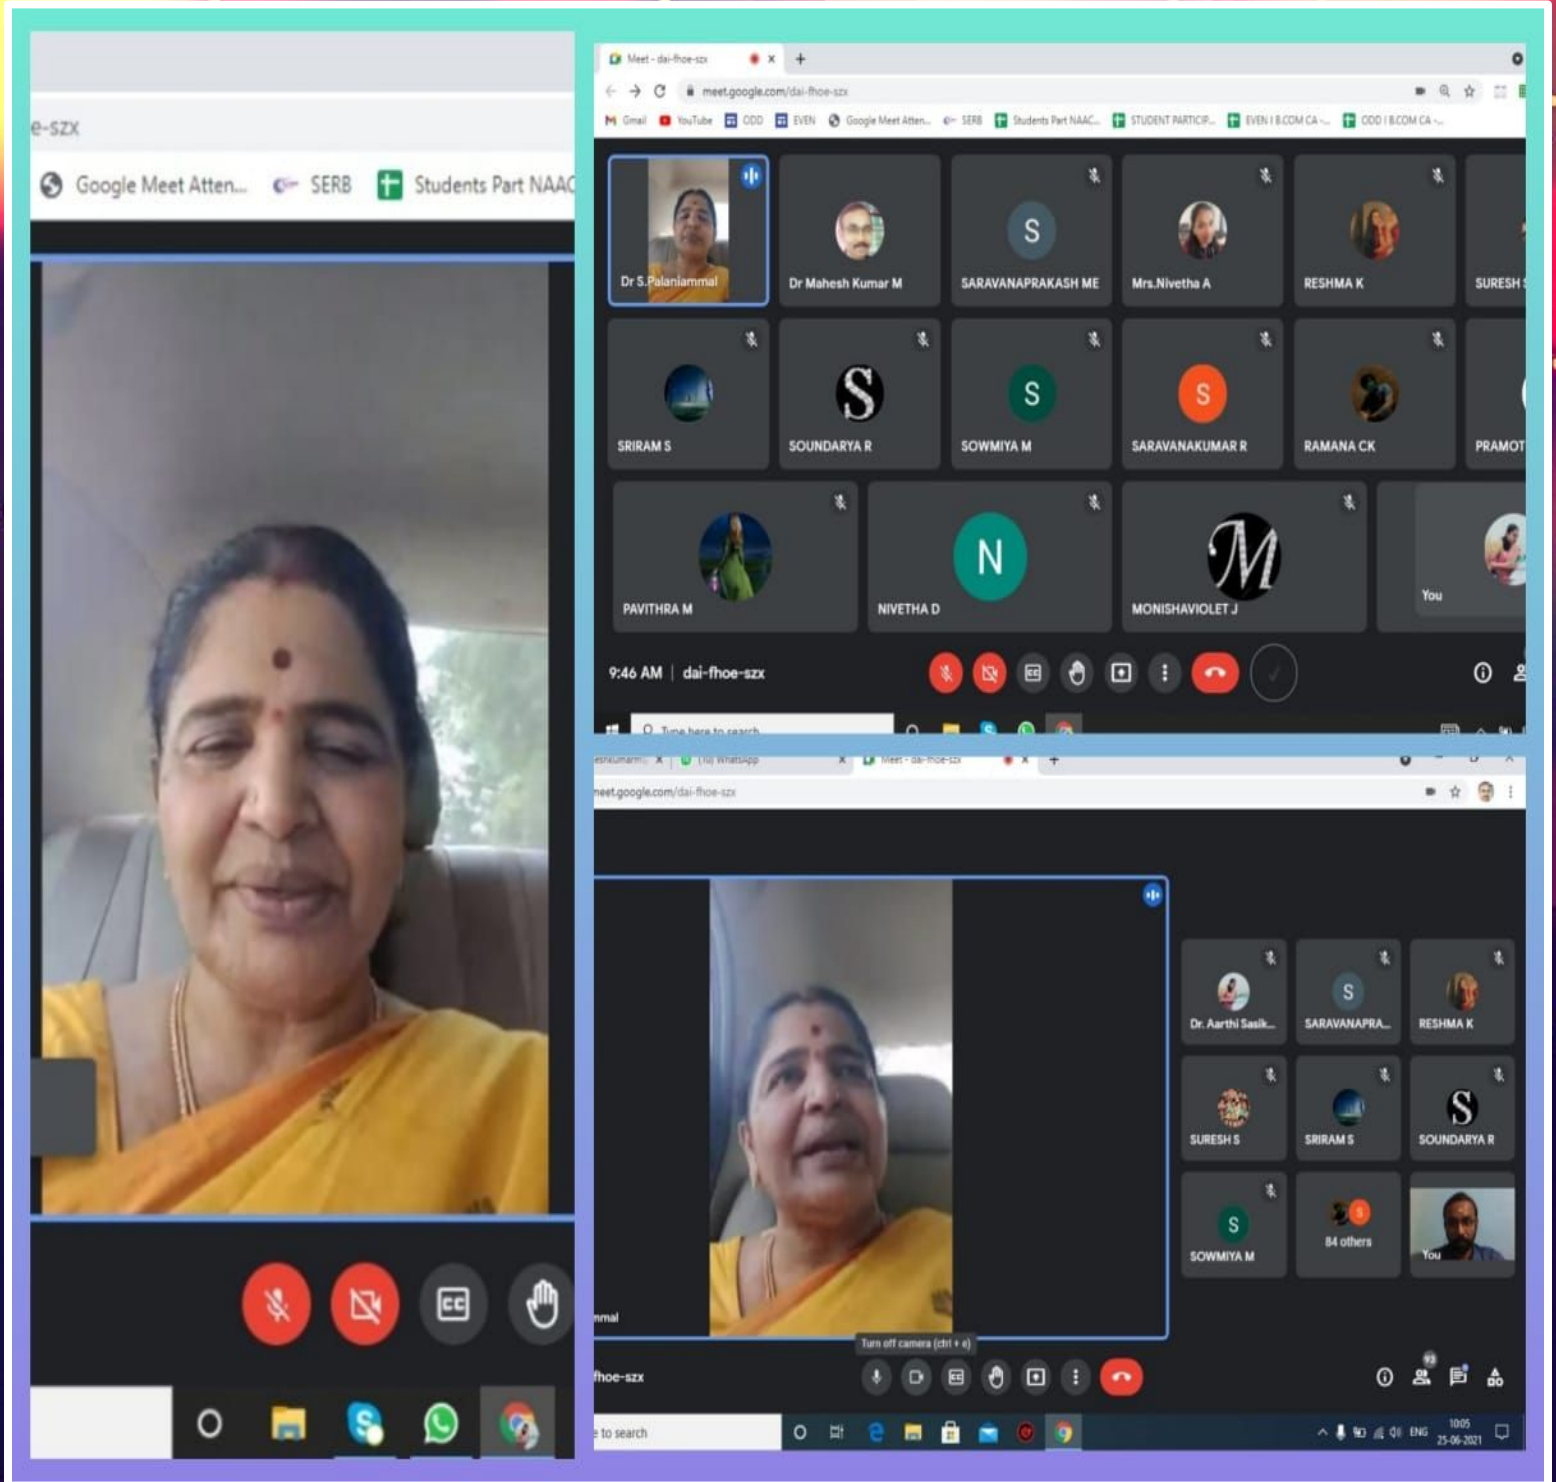

B.Com CA

- The Department of B. Com CA 1st year students had meeting with Respected Principal madam on 25.06.2021 @ 9:30 am.

- The following points were discussed by beloved Principal madam.

- Appreciated the top ranker holders in the University Exam.

- Enquired students about their University exam results and ensured that their discrepancies will be solved.

- Motivated the students to score 95% and above in all subjects in their 2nd semester exam. Informed the students should score more marks for equip them to get placement offers in many MNCs. Highlighted the importance of attending the verbal hack and Aptitude test and it's importance in placement. Emphasized the importance of doing online course in Coursera and insisted them to complete minimum of 4 courses.

- Emphasised the students can try to get Covid vaccination without any fear.

- Students are informed to contact Tutor, HoD and Principal for the academic assistance.

ENGISH

ENGLSH
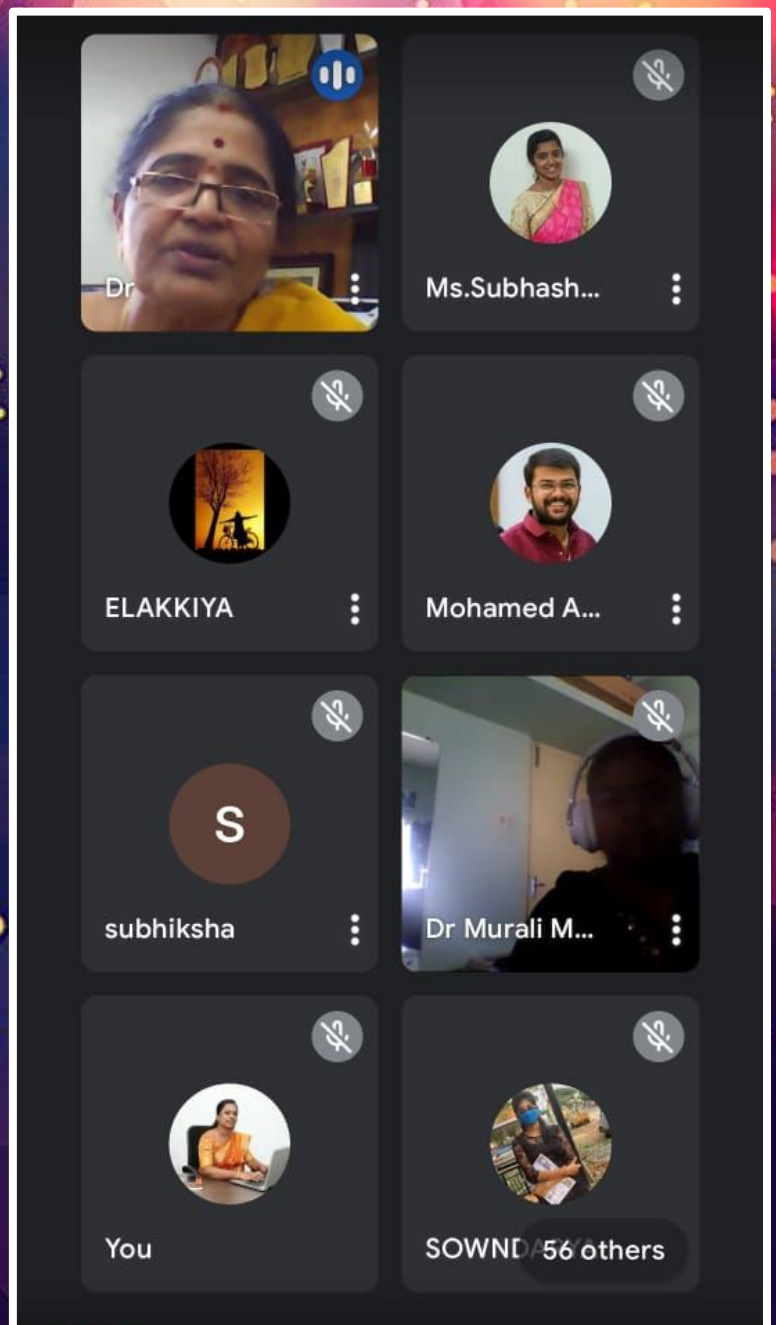

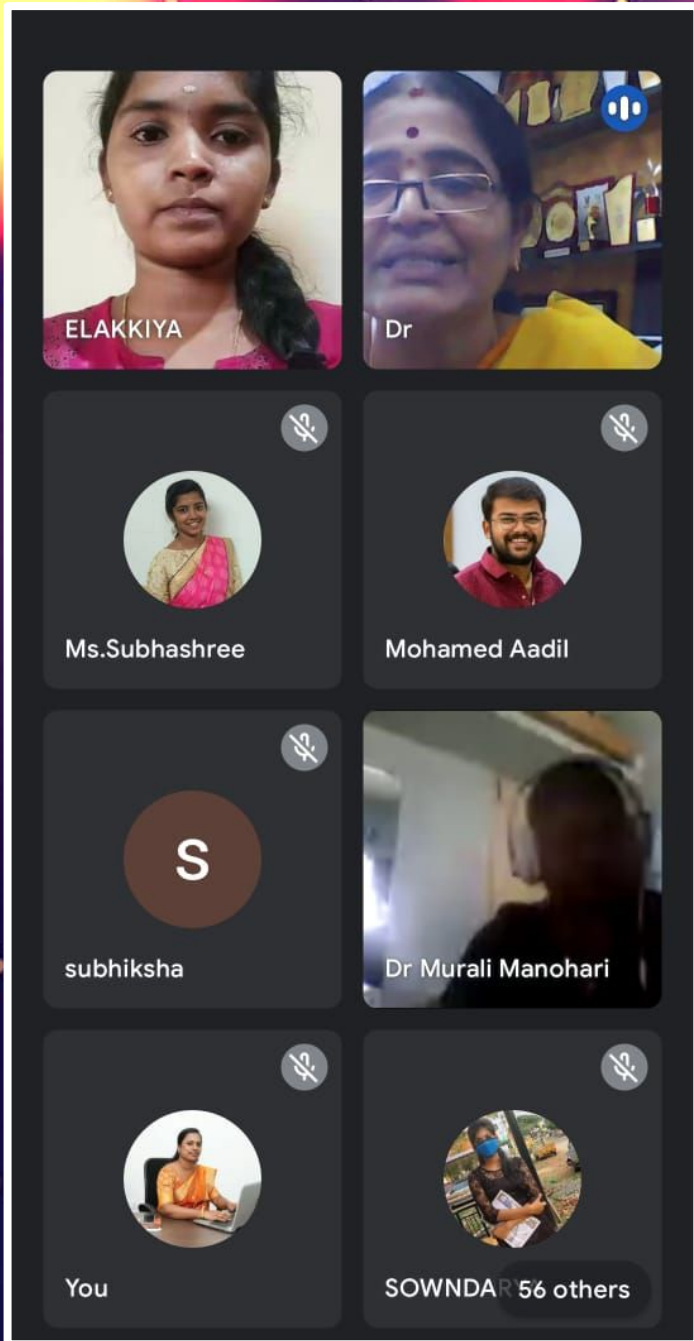

Our beloved Principal convened meeting with I BA English Students on 25.06.2021 at 2:30 pm.

- Madam congratulated the top rank holders in the University Exams and motivated them to aim for university ranks.

- Heeded to the students' discrepancies in the University results and assured to take it to the notice of COE of Bharathiar University.

- Inspirited the students to secure more than 90% to get multiple offers in MNCs.

- Reiterated the importance of weekly online verbal and aptitude tests for corporate readiness

- Accentuated the significance of completing certification courses in Couresera platform and instigated to complete at least 4 courses before the start of the next semester.

- Advised the students to take COVID vaccination without any fear to keep themselves and their family safe.

- As students are the brand ambassadors, Madam acknowledged them for their positive testimonials shared during the meeting.

Dark Web

Mr Sivaselvan N[1], Mr Prasanth S[2], Ms Kaviya P[3]
[1, 2, 3] Dept of Corporate Secretaryship
[1, 2, 3] Sri Krishna Adithya College Of Arts And Science, Kovaipudhur, Coimbatore.

Abstract- Dark Web considers a segment of . It is accessed through TOR. Actors within Dark Web websites are anonymous and hidden. Anonymity, privacy and the possibility of non-detection are three factors that are provided by special browsers such as TOR and I2P. The Dark Web is at the center of the debate over whether to keep anonymity online despite illegal activity. Policymakers need to gain an understanding of the Black Web in order to participate intelligently in the debate and apply an effective Black Web policy. This paper aims to provide contextual recommendations and policies related to the Black Web based on open source research. The number of users in anonymous networks on the Dark Web is another key element that is resulted. In such networks, users are calculated through the client requests of directories (by TOR metrics) and the relay list is updated. Indirectly, the number of users is calculated for the anonymous networks.

Keywords- Cyber security, Dark web , Dark net , Deep web , Government , Public Policy , Tor.

I. INTRODUCTION

Dark web is one of the illegal websites that we cannot see in any search engine. Certain browsers, such as Tor Browser, are required to access the dark web which was created by the military to protect oversea communication. And it is also used by journalists, enforcement agencies and legitimate users.As with the early Internet, the dark web has also become popular as a refuge for illegal activities. Dark web can be used to sell weapons or drugs and information. These kinds of services are often referred to as hidden services. Even Facebook also has a dark web for who's countries have banned their media network. It is difficult to find out where these sites are hosted and or who is hosting.

FOUNDER OF DARK WEB :

ROSS WILLIAM ULBRICTH is an American who created the darkweb. He was arrested in 2013 because of fraudulent documents in May 2015, he got double life prison without any parole.

HOW TO ACCESS DARK WEB

The Dark web is accessed by Tor,The Onion Router. It was mainly invented for Safeguard of American Intelligence. There is difference between a normal URL and dark web URL. It cannot be opened through common search engines like Google, Browser, Firefox etc. The URL in the dark web ends with .ONION. If you are entering Dark web sites, use a virtual private network because it is safer than a VPN browser because VPN may identify your identity and hide your location. TOR is not an easy browser as you think it is very slow compared to other browsers. It is mainly noticed by bot hunting systems. Facebook and The New York Times also have hosted their onion version. After every session TOR clears the browser's history and sweeps your cookies.

DARK WEB IN MARKET PLACE :

It is also called the Darknet Market. Works through darknet TOR involving German, Australia, Denmark, Moldova, Ukraine, the United Kingdom (the National Crime Agency), and the USA.Their main motive is black market. They stole personal information like credit card, bank information and medical data and loyalty card information to sell it wholesale. It is almost used by 5,00,000 users and 2400 sellers and 32000 transactions. The Central Criminal Investigation Department has arrested an American citizen who is the main operator of the Darknet market.

BENEFITS OF DARK WEB:

We can't say that it is totally illegal but it is pretty safe to use. It may maintain privacy and it is very useful for the police to cover the criminal through the dark web. It is useful for an entrepreneur to know about his employers and

Ms. Kavya & Mr. Sivaselvan, I B.COM CS has published a research article entitled "Dark Web", in International Journal for Science and Advance Research in Technology, Vol. 7, Issue 6, June 2021.

Department of English is happy to share with you all that 5 of our Final Year BA English Students have published their Research Paper in International Journal of Research and Analytical Reviews(IJRAR) - An International Open Access Journal, Peer Reviewed, Refereed Journal, Indexed Journal, Impact Factor 5.75 Googlr Scholar (E ISSN 2348-1269 / P ISSN 2349-5138) in the Month of June 2021. Volume 8 Issue 2.

KNOW THE FACTS

ENGLISH
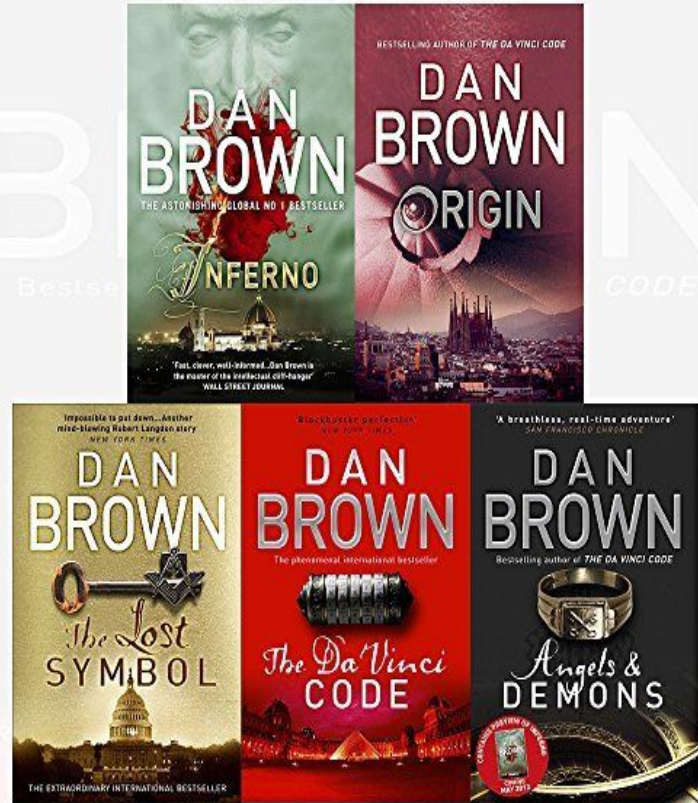

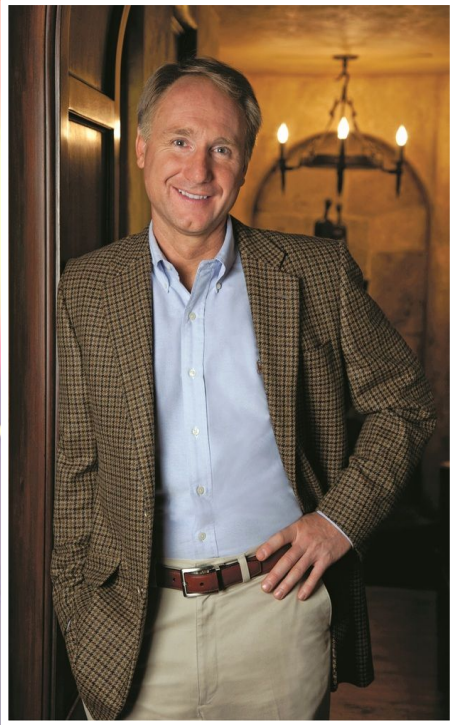

Dan Brown, (born June 22, 1964, Exeter, New Hampshire, U.S.), American author who wrote well-researched novels that centred on secret organizations and had intricate plots. He was best known for the Robert Langdon series, which notably included The Da Vinci Code (2003).The son of a mathematics teacher and a church organist, Brown was raised on a prep school campus where he developed a fascination with the paradoxical interplay between science and religion. These themes eventually formed the backdrop for his books. He lives in New England with his yellow lab, Winston. Brown's latest novel, "Origin" explores two of the fundamental questions of humankind: Where do we come from? Where are we going?
