HoDs Meeting

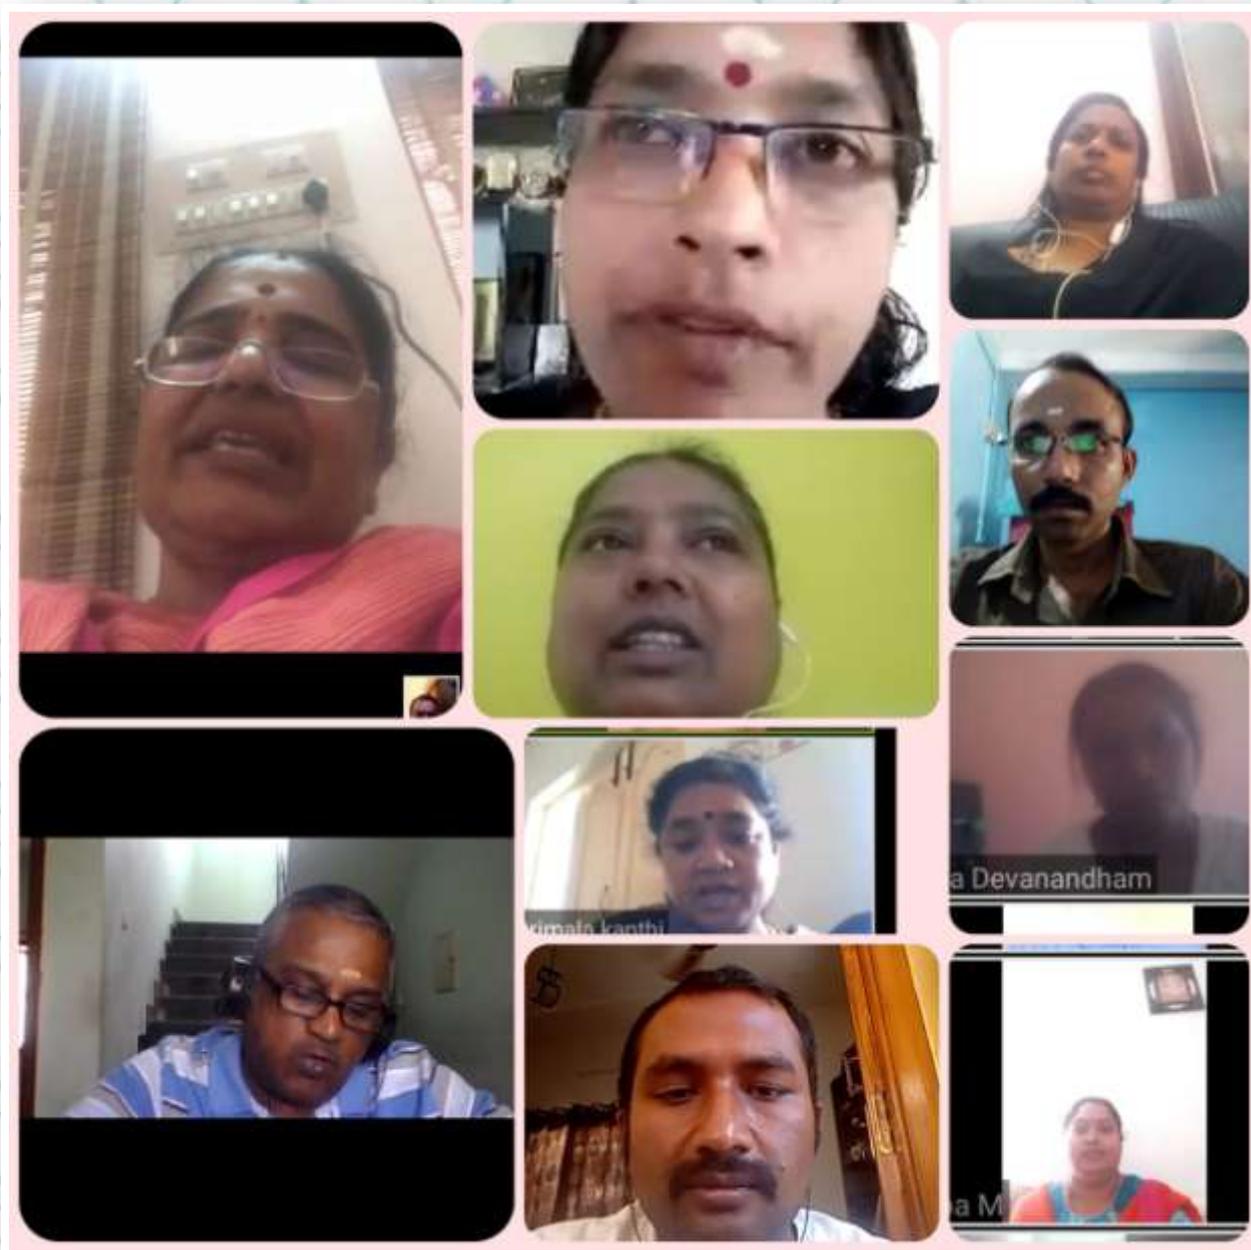

Our beloved Principal convened a HoDs meeting through Zoom App on 13.04.2020 to review the progress of the activities already planned and decided to continue to conduct online revision and coaching classes in a scheduled manner to the students apart from the webinars and guest lectures. Appreciated BCA Dept for conducting quiz to create awareness about Corona virus with E-certificate which is receiving an excellent response among the public. In a single day 3000+ have received the certificate (only if they have passed the quiz).

Principal convened HoDs meeting on 07.04.2020 to review the progress of the points discussed in the last meeting and discussed the best practices followed in other leading universities/ institutions across the world. Planned to start holistic education cell in the campus to provide courses in professional and personal ethics, team building, positive attitude, responsible usage of digital media, integrity and accountability, social responsibility, personal well being, appreciation of differences, effective communication skills (both in speaking & writing) and also basics of programming languages to non computer science students.

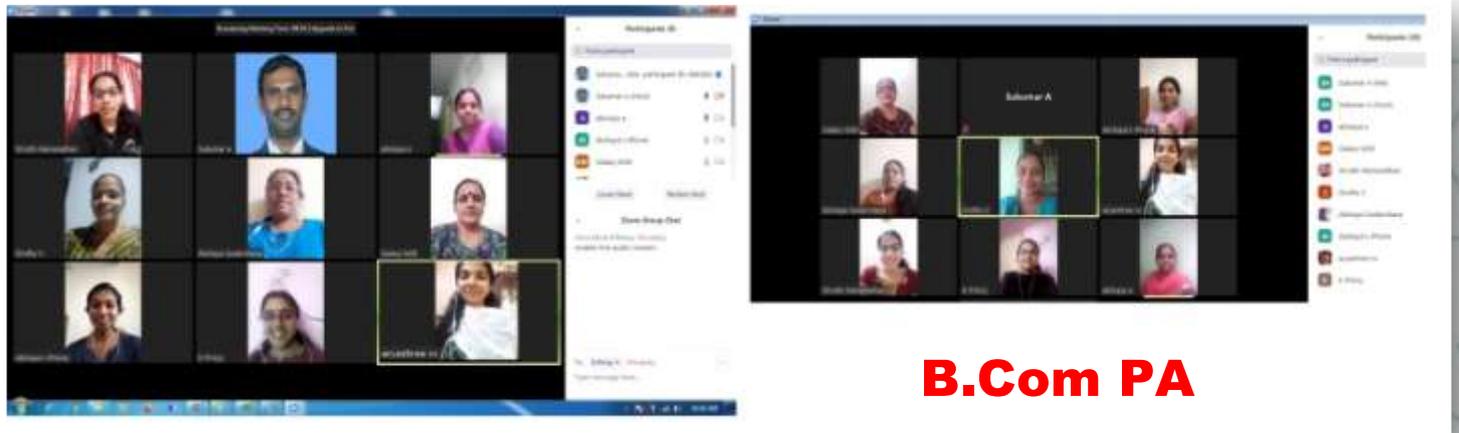

Convened a meeting with all the HoDs on 04.04.2020 through Zoom App with the following agenda:

- **Online model exam result analysis and the consolidated internal marks**

ONLINE MODEL EXAM

Schedule and Attendance

Sri Krishna Adithya College of Arts and Science was the forerunner to shift the conduct of examinations through Online mode amid the Coronavirus lockdown. Our Institution conducted the Model Examination through Online which was highly welcoming and well appreciated by the Principals of many Arts Colleges and followed the same process in their Institutions too. Our students have given positive feedback about the Online method of examinations as they were able to utilize their time productively under the COVID 19 pandemic.

Conducting Online Classes is really a good initiative. It makes the students to use both their time and mobile phones in a prosperous way. I am personally happy that when all others are passing their time without a purpose during this Lockdown, my son is writing some assignments, tests, and attending Online classes. I appreciate the Faculty team of SKACAS for keeping the students connected with their studies even when they are at home.

Firstly, I would like to thank the college for giving such a good education. I feel the whole process of revision classes are being held very well. It is good to see my daughter revising various subjects and portions sincerely. Due to this quarantine, students might forget the portions taught but the revision classes help them to recall their portions easily.

We are very much happy by your plan of online mode of connecting students with the Institution. Students have written their model exams through online. This plan helped them to finish their model exam in a safe manner during this curfew. Your Institution is taking much initiatives during this situation in an excellent way and it makes us feel safe about our daughter.
