

Tricolour Pride Fills the Air at SKACAS Republic Day Celebrations

Sri Krishna Adithya College of Arts and Science celebrated the 77th Republic Day of India with great enthusiasm and patriotic spirit on January 26, 2026, at the college campus. The celebration began with the unfurling of the National Flag by the Principal, Dr. S. Palaniammal, followed by the rendering of the flag song. Faculty members, students, and staff solemnly took the Republic Day pledge, reaffirming their commitment to the values enshrined in the Constitution of India.

In her address, the Principal highlighted the significance of Republic Day and emphasized the importance of upholding constitutional values such as equality, unity, and social responsibility. She

encouraged students to contribute positively to the nation's progress through discipline, integrity, and service.

The programme featured inspiring speeches by students, thought-provoking poetry recitations, and vibrant cultural performances that reflected the rich heritage and diversity of India. The students' performances received warm appreciation from the audience and added colour and spirit to the celebration. The Republic Day celebrations concluded on a solemn note with the singing of the National Anthem, instilling a deep sense of pride and patriotism among all present.

From Code to Classroom: A Hands-On Python Guide for Beginners Released

Dr. A. Vinoth, Assistant Professor of Information Technology, authored *Python Programming: Hands-on Guide for Beginners*, published by CiiT Publishers. The book introduces Python through clear concepts and practical examples, helping beginners build a strong foundation for software development, data science, and AI.

AI Meets Assessment: Smart Tool Simplifies Question Paper Creation

Dr. Sreejith Vignesh B. P., Head of the Department of Information Technology, has authored an insightful and timely article on the AI-based educational tool *questionswell.org*, which was published in a renowned Tamil computer bi-monthly magazine in January 2026. The publication reflects his continued engagement with emerging technologies and their practical applications in the field of education.

In the article, Dr. Sreejith elaborates on how *questionswell.org* leverages artificial intelligence to assist educators in generating customized multiple-choice questions (MCQs) quickly and effectively. He explains the platform's ability to create subject-specific, level-appropriate questions within seconds, thereby significantly reducing the time and effort traditionally required for assessment preparation. The tool's user-friendly interface and intelligent content generation make it especially beneficial for teachers handling large classes or multiple courses.

Principal's Desk

"A nation's strength lies not only in its history, but in the values its people choose to live by every day."

The closing days of January invite us to pause and reflect on the foundations that shape our collective journey as a nation. It is a time that calls for renewed faith in the ideals of justice, equality, and unity—principles that continue to guide our democratic fabric and inspire generations to move forward with purpose and responsibility.

Education plays a pivotal role in strengthening these ideals. Institutions of higher learning are not merely centres for academic pursuit; they are spaces where character is shaped, values are nurtured, and responsible citizenship is cultivated. At Sri Krishna Adithya College of Arts and Science, we remain committed to fostering academic excellence alongside ethical awareness and social consciousness.

Our students, as the leaders of tomorrow, carry the responsibility of shaping a progressive and harmonious society. We encourage them to uphold discipline, integrity, and compassion, and to remain sensitive to the needs of the community and the nation. Let your actions reflect respect for diversity, commitment to sustainability, and dedication to collective progress.

This season also reminds us of the vision and sacrifices that laid the groundwork for the freedoms we cherish today. True tribute lies in living those ideals with sincerity and purpose.

"When values guide our actions, every step we take becomes a step toward a stronger nation."

Dr S Palaniammal,
Principal
SKACAS

Rhythms for Responsibility: Uyir Club Spreads Road Safety Awareness

The Uyir Club organized a Road Safety Awareness Campaign at Semmozhi Poonga, successfully creating a meaningful blend of art, social responsibility, and public engagement. The primary objective of the programme was to educate and sensitize the general public about the importance of road safety and the need for responsible behaviour while commuting in everyday life.

As a key highlight of the campaign, the Clan 42 team from Sri Krishna Adithya College of Arts and Science (SKACAS) delivered an energetic and impactful dance performance that vividly communicated essential road safety messages. Through expressive movements and powerful choreography, the performance emphasized the importance of wearing helmets, obeying traffic signals, avoiding the use of mobile phones while driving, and respecting pedestrian rights.

The campaign received an encouraging and positive response from the public, who appreciated the innovative and artistic approach adopted by the students to spread awareness on such a crucial social issue. Many spectators expressed admiration for the students' efforts and acknowledged the relevance of the messages conveyed. The event concluded on a meaningful note, with participants and organizers reaffirming their commitment to promoting safer roads, responsible travel practices, and a culture of road safety within the community.

Empowering Non-Developers: Bharat AI Hackathon Sparks Innovation on Campus

Sri Krishna Adithya College of Arts and Science hosted the Bharat AI Hackathon, a pioneering national initiative designed to introduce artificial intelligence to non-developers. The programme was formally inaugurated with a welcome address by the Principal, Dr. S. Palaniammal.

The hackathon sessions were led by Ms. Srividya Muralidharan, supported by a team of 54 expert trainers from the TCS AI Services and Transformation Unit. Envisioned as an intensive innovation sprint, the event enabled 1,200 Commerce stream students to conceptualize and develop functional digital prototypes using multilingual, voice-first AI tools under expert mentorship.

The initiative marked a significant step toward nurturing AI-enabled, future-ready graduates, reflecting the institution's commitment to integrating emerging technologies into mainstream education.

NCC Cadets Demonstrate Marksmanship at State-Level Shooting Championship

The NCC cadets of the college unit actively participated in the Air Rifle and Pistol Shooting Championship–2026, organized by 6 TM Medical Company, Coimbatore. The championship was conducted at the KPR Air Rifle Academy, Coimbatore, on January 09, 2026. The event provided cadets with valuable exposure to competitive shooting and helped enhance their skills in discipline, precision, and focus. Participation in such championships contributes significantly to the physical and mental development of NCC cadets while fostering sportsmanship and confidence. The cadets' involvement in the championship reflects the institution's continued encouragement of extracurricular excellence alongside academic growth.

Green Steps for a Cleaner Tomorrow: NSS Volunteers Clean Up Race Course

The NSS volunteers of Sri Krishna Adithya College of Arts and Science carried out an environmental clean-up drive at Race Course on January 24, 2026, demonstrating their commitment to environmental conservation and civic responsibility. The initiative aimed to promote cleanliness, environmental awareness, and public responsibility toward maintaining green spaces.

During the activity, volunteers actively participated in collecting plastic waste, dry litter, and other non-biodegradable materials from the area. The drive also focused on spreading awareness among the public about the harmful effects of pollution and the importance of keeping public places clean. The enthusiastic involvement of the students reflected the true spirit of the National Service Scheme, emphasizing service to society and sustainable living.

Placement Momentum Builds at SKACAS with Leading Recruiters on Campus

Sri Krishna Adithya College of Arts and Science (SKACAS) continues to strengthen its placement initiatives with a series of campus recruitment drives involving reputed organizations across diverse sectors. Cognizant Technology Solutions (CTS) conducted its NPN Service Desk campus recruitment, with HR interviews held on January 20 and 21, 2026 for shortlisted students from all UG streams. The offered package stands at ₹3 LPA, and the results are awaited.

Morgan Stanley Capital International organized a campus recruitment drive with an online assessment test on January 22, 2026 for eligible students from Commerce, Management, and B.Sc. Data Science streams. Out of the applicants, 17 students were shortlisted for the HR interview, scheduled on February 4, 2026 at Sri Krishna Arts and Science College. The offered CTC is ₹3 LPA. Prochant India Pvt. Ltd. conducted a recruitment drive on January 23, 2026 for the roles of AR Caller and EV Caller, offering a package of ₹2.45 LPA plus allowances. The drive was open to UG and PG students, and results are awaited. In another notable achievement, Equalize RCM conducted a drive on January 28, 2026 for the role of Accounts Receivable Trainee, offering ₹3.36 LPA, with eight students successfully placed.

SKACAS is also gearing up for forthcoming placement drives by Star Tek on February 4, 2026, Paytm on February 5, 2026, Sara Infotech on February 6, 2026, and Kia Motors on February 9, 2026, further reflecting the institution's strong commitment to enhancing student employability and industry readiness.

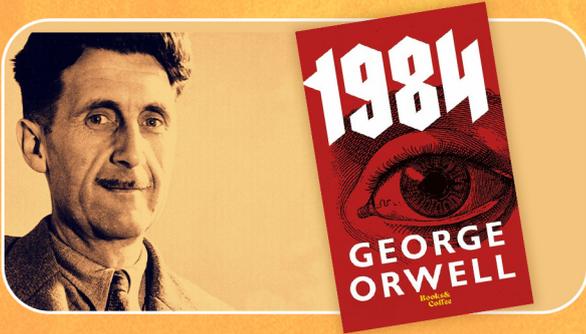

Research Dialogue on Generative AI: Faculty Gain Insights into Image

Mr. D. Bharath, Assistant Professor at Sri Krishna Adithya College of Arts and Science, successfully conducted a research discussion session on "Image Synthesis using Generative AI" on January 22, 2026 for faculty members of the Department of Computer Science.

The session focused on the fundamentals and recent advancements in Generative Artificial Intelligence, with special emphasis on image synthesis techniques, real-world applications, and emerging research trends. Participants gained insights into how generative models are transforming domains such as computer vision, creative AI, and data-driven innovation.

The discussion fostered active academic interaction and knowledge sharing, providing a platform for research-oriented dialogue among faculty members. It also encouraged interdisciplinary thinking and opened avenues for future research collaborations.

BOOK LOOK

About the Author – George Orwell

George Orwell (1903–1950), whose real name was Eric Arthur Blair, was a British novelist, essayist, and critic. Born in India, he wrote extensively about social injustice, totalitarianism, and the misuse of power. His experiences as a journalist and observer of political systems strongly influenced his writing. Orwell is best known for *Animal Farm* and *1984*, and his clear, direct style made his works highly influential in modern literature.

About the Book – 1984

1984 is a dystopian novel set in a totalitarian state where the government, led by Big Brother, controls every aspect of life. The story follows Winston Smith, a Party member who secretly questions the system and seeks truth and freedom. The novel highlights themes such as constant surveillance, censorship, manipulation of history, and loss of individuality. Concepts like Big Brother, doublethink, and Newspeak show the dangers of unchecked political power and remain relevant today.

Excellence Unleashed: Achievements Across Academics, Sports, and Culture

Mr. A. Vishnuvardhan, a II B.Com student, secured the Silver Medal in Silambam (Padded Stick) under the 65 kg category at the Arnis National-Level Championship 2026, held at Kapashera, New Delhi, from 9 to 11 January 2026. The championship was organized by the Arnis Association of Delhi in collaboration with the Arnis India Federation, with participants representing various states across the country.

Mr. S. Kaushik, a student of II B.Com, won the Silver Medal in Wrestling in the Under-20 age category at the 12th Tamil Nadu State-Level Wrestling Championship – 2026, organized by the Tamil Nadu Amateur Wrestling Association and held at the Johindra Sports Academy, Salem, on January 25, 2026, with participation from students representing various

Ms. Mahalakshmi T of II B.Com PA won the First Prize in the Mehndi Competition at the Inter-Collegiate Meet “BANKQUIST 2K26,” held on January 23, 2026. The event was organised by the Department of Commerce with Banking and Insurance, Sri Ramakrishna College of Arts and Science, Coimbatore.

Six final-year B.Sc. Information Technology students participated in the NVIDIA RTX PC Day 2026, an AI Technology Showcase event, held at CODISSIA on January 23, 2026.

Mr. Mohammed Afsal S (III B.Sc. Data Science), Mr. Rayeez Ahamed J (II B.Sc. Computer Science), Mr. Dhanish (I B.Sc. AI & ML), Mr. Fariz (I B.Sc. Data Science), Ms. Vijayshree (I B.Com CA), and Ms. Josika (III B.Sc. Data Science) secured First Place in the Fashion Show conducted by Hindustan College on January 21, 2026, and PSG College of Technology during the events held on January 07 and 08, 2026.

Mr. Kishore A, Ms. Nathivadhani N, Ms. Saniya Paul R, and Mr. Mohamed Riyaz K, students of the Department of Data Science, actively participated in a seminar held at Dr. N.G.P. Arts and Science College, Coimbatore, where they successfully presented their research papers and received Certificates of Presentation. Additionally, Mr. Kishore A was awarded Second Place for Best Research Paper.

Mr. G. B. Prathab Adithya and Mr. S. Shajid, students of III B.Sc. AI and ML presented a research paper titled “Empowering Women Entrepreneurs through Mentorship Networks, Leadership Development, and Peer Learning Models” at the ICSSR–SRC Sponsored One-Day National Seminar, organised by Sri Ramakrishna College of Arts and Science for Women, on January 06, 2026.

Mr. Anusagar of II B.Sc. Information Technology and Mr. Robin of I B.Sc. Information Technology secured First Prize in the Fashion Fiesta and Treasure Hunt events at Tycoons 2K26 Intercollegiate Technical and Cultural Fest, hosted by Rathinam College of Arts & Science, on January 06, 2026.

Mr. R. Rajasuryaa, of III B. Sc Information Technology, participated in the 9th Federation Cup National Wushu Championship held from December 24, 2025 to December 30, 2025 at Sanskar City International School, Rajnandgaon, Chhattisgarh, and won the Gold Medal.
